Description

Description:

A New Crystalline Powder made with Stevia plant extracts. Originally grown in South America, stevia has been used as a natural sweetener for hundreds of years. Canderel revolutionizes the sweeteners and innovates with a new crunchy recipe made with a natural sweetener. Perfect in yoghurt, fruit and cereals. Suitable for the whole family. Naturally sweet. Delicious taste.

1 stick of Canderel Green (0.4 Kcal) is equivalent in sweetness to 1 teaspoon of sugar (20 Kcal)
