A signature, 100 percent organic formula that's suitable for even the most sensitive skin and extracted directly from grapes in Bordeaux, with the dual power to both increase hydration and reduce sensitivity.

Solutions for:

- Dryness
- Dullness and uneven texture
- Redness

Grape Water provides an immediate benefit of +127 percent hydration and -61 percent skin sensitivity upon use. Rich in moisturizing polysaccharides, mineral salts, and potassium, Grape Water has an intense hydrating ability to retain water. Perfect for sensitive skin and the

Caudalie Grape Water Spray

perfect go-to after any harsh peels or uncomfortable irritation, it acts as an anti-inflammatory—soothing rosacea, reducing redness and sensitivity, and calming rashes. The unique composition with mineral and active plant ingredients strengthens the skin's barrier function, making it more resilient and less sensitive over time. The versatile product can be used as a toner after cleansing, as a setting spray before applying makeup, or to refresh and hydrate the skin throughout the day.

What it is formulated WITHOUT:

- Parabens
- Sulfates
- Phthalates

Suggested Usage:

- Mist over face to soothe, refresh, and moisturize the skin at any time of the day.
- Can be used as a moisturizing toner.
- Do not rub in after spraying.

Makeup pro tip: dampen makeup sponge to give dewy glow to foundation. Dampen eyeshadow brush to intensify shadow pigment. Caudalie founder Mathilde Thomas discovered this precious water on her parent's vineyard in Bordeaux when her family during the harvest to extract water from the grapes.
