Description

Description:

Full of highly nutritious active ingredients, the Nourishing Body Lotion immediately moisturizes your skin with a long-lasting effect so that it regains its softness and elasticity. The grape Polyphenols prevents premature ageing of the skin and ginkgo biloba activates micro-circulation. Your skin is firmer, radiant, protected and energized. Its creamy texture is very quickly absorbed to leave a delicately fragranced velvety sheen on your skin. For anyone looking for a nourishing and anti-oxidant treatment for the body.
