Description

Description:

A resculpting treatment serum to reshape, define, and lift the look of skin for a youthful appearance.

Solutions for:

- Fine lines and wrinkles
- Loss of firmness and elasticity
- Dryness

This oil-free, innovative resculpting serum is formulated with Caudalie's new breakthrough patent of stabilized vine resveratrol (for firmness) and micro hyaluronic acids (for volume) to visibly recontour, refirm, and replump aging skin. For the first time, these molecules' synergy is being harnessed to support skin's natural production of hyaluronic acid, so the skin is plumped from within. The formula is further enriched with a

Caudalie Resveratrol Lift Firming Serum

peptide composition that works on natural collagen and elastin to lift the look of facial contours and reduce visible effects of aging. The light, hydrating texture blends into the skin without any sticky residue and can be applied under makeup.

What it is formulated WITHOUT:
