Description

Description:

Caudalie Vinosource Riche Intense Moisture Rescue Cream is the First-Aid Skin Care that nourishes skin deeply and protects it from drying out. It restores the hydrolipidic film and strengthens the skin barrier functions. Skin lipids are restored to soothe the skin and provide comfort. With its rich texture, this cream is the must-have moisture protection for very dry skin all year round or during harsh weather conditions (cold, windy, dry).

Caudalie Vinosource Intense Moisture Rescue Cream is the saviour of very dry skin. Formulated with 11% of nourishing ingredients, this is the ideal cream for skin lacking nourishment. Upon application, the skin is intensely nourished; it becomes immediately supple and comfortable and remains that way throughout the day. Dehydrated fine lines disappear and dry patches are smoothed. Deeply nourished and hydrated, the skin is stronger. The skin's moisture is increased by 86%. The texture is reminiscent of a velvety balm.
