Description

Description:

Caudalie Vinosource S.O.S. Thirst Quenching Serum is a highly hydrating serum, ideal for extremely dehydrated skin and is suitable for all skin types. Thanks to an association of hydrating active ingredients, including Organic Grape Water, hyaluronic acid and Grape seed polyphenols, this serum restarts skin's internal moisturising mechanism, regulates water exchange and restores moisture balance in your skin. Upon application, your skin is instantly moisturised, supple and soft with a bouncy feel. Deeply resourced and soothed, your skin's well-being remains for longer. This serum contains 97% of natural ingredients, is hypoallergenic, non-comedogenic, and oil-free. The fragrance is light, citrusy and very uplifting with mandarin blossom, lemon leaf, cucumber water and fresh mint.

This lightweight oil-free serum continuously captures and diffuses water deep within skin to restore moisture balance and leave skin refreshed, hydrated and comfortably soft. Fast absorbing formula. Gentle enough for even the most sensitive skin types.
