Description

**Description:**

The Well-Being line is dedicated to lively mums who are full of energy, careful when choosing SAFE FEEDING BOTTLES but also keen on turning feed-times into an ENJOYABLE AND COLOURFUL occasion. The new Well-Being line stands out immediately thanks to the new Chicco packaging with double window, for the best emphasis on Chicco physiological teat and the brand new graphic design of the bottle.

**Features:**

- Anti-colic valve: prevents the ingestion of air, reducing the risk of colic after feeding
- Mum effect silicon
- Medium flow
- Protects your baby fro regurgitation and irritability
