Description

Description:

Naturally Claude hair mask gives health to severely damaged hair from coloring, highlighting, and heat.

The keratin oil straiten the hair and makes it look healthy and shiny.

The caviar oil regenerates the hair, rejuvenates it and protects from weather damages.

Directions of use : Naturally Claude hair mask should be applied to washed and towel-dried hair. "Spread the cream evenly throughout your hair. Massage the product in from the roots to the tips then comb through your hair with your fingers." To optimize the mask's effects, cover your head with a hot towel for at least 10 minutes. "Leave the mask on for up to 20 minutes, depending on your hair's condition before rinsing gently.
