Description

**Description:**

An easy-to-use formula ensuring a rapid tan and velvety skin. Rich in vitamin E and oils of calendula, hazelnut, apricot kernel, carrot and walnut shell, it nourishes and moisturizes the skin, leaving it soft and smooth. Thanks to its special texture it is quickly absorbed, leaves no traces and can also be used to protect the hair from the sun and salt.

**Use:**

Spray onto the face, body and hair before exposure to the sun. Repeat the application frequently throughout the day.
