Description

Description:

Holding, shine and softness guaranteed! With its smooth texture, hair gel Coslys can be used daily and applies easily, without sticking to hands on wet or dry hair.

99.18% of the total ingredients are of natural origin.

30% of the total ingredients are from Organic Farming.

Function:

Thanks to its unique formulation, the strong hold styling gel Coslys allows shaping hairstyles without damaging your hair.

Rich in trace elements present in the hair structure, extract of red algae remineralize and restructures the hair fiber. The red alga is also a source of polysaccharides which gives the hair a smooth and shiny touch tightening the scales of the hair shaft.

Thus, the styling gel provides daily care. Easy to apply, its smooth texture will not stick hands and allows a uniform distribution of the product.

Natural ingredient compound, styling gel texture may vary depending on the temperature, without altering the properties or, ease of application or to the consumer.

- Strong fixation
- Non-greasy
- Do not dry the hair

- Leaves no residue or film
- Is perfectly removes styling and washing

Use:

Spread a small amount of gel in your hands and apply to the entire hair or lashes to fix. Can be used daily on wet or dry hair.

Remove the safety cap before first use.

In case of contact with eyes, rinse thoroughly.
