### Description

Description:

Cranbiotic is a food supplement with the unique combination of:

- Probiotics: Promote healthy balance in your gastro-intestinal tract
- Cranberry : Reduces urinary inflammation and improves digestion
- Vitamin D : Supports the immune system

Cranbiotic is therefore suitable to compensate for the lost probiotics which will improve any digestive problems and enhance the immune system.

Cranbiotic also helps and maintains the normal function of the urinary tract system.

Cranbiotic is useful for :

- Prevention of urinary tract infection
- Digestive problems (Constipation, diarrhea, bloating and abdominal pain)

- Inflammatory bowel disease (Crohn's disease)
- Frequent sickness
- Antibiotic treatment
- Lactose intolerance

New Research also found that Cranbiotic helps for :

- Skin Problems like acne and eczema
- Allergies
- Oral health (Bad Breath)

Use:

Two capsules a day. Swallow with a glass of water.
