Description

Description:

Highly potent blend of L-Ascorbic Acid 15%, Tocopherol 1%, Ferulic Acid 0.5% and a breakthrough Octapeptide, intensified with a dual Trans-Epidermal Carrier dramatically delivers unparalleled results to reverse signs of aging by; increasing collagen production, providing superior anti-oxidant protection, correcting hyperpigmentation and reducing the appearance of fine lines and wrinkles. Clinically proven formula features Ferulic Acid to enhance photo-protection of the skin against UV damage by 8 times and reduce sunburned cells by 96%.

Stabilized from multiple pathways, the formula gives unequalled anti-aging benefits with high concentrations of key antioxidants to rejuvenate the skin, fight free radicals and provide maximum protection against environmental and UV induced skin damage.

Made in USA

Use:

Apply four to five drops onto fingers and smooth over face and neck, avoiding eye area. Allow to absorb before applying additional products. Can be used twice a day or as directed by physician.
