Description

Description:

Institute-inspired, anti-ageing dermabrasion rejuvenates as it polishes skin to perfection. Natural exfoliants (Silica, Pearl, Lava) make this delectable, creamy complexion-slougher gentle enough for sensitive skin; powerful enough to help reduce the look of pores, age spots discolourations and to visibly smooth lines and wrinkles.

The Result

Darphin Age-Defying Dermabrasion

- Reduced wrinkles and fine lines
- More even and radiant skin tone
- Soft, smoothed, and supple Skin.

Directions: Scoop a small amount on fingertips and massage in circular motions over damp skin (or dry skin for greater exfoliation). Avoid eye area. Rinse off with lukewarm water.
