### Description

**Description:**

Darphin CC Cream Instant Multi-Benefit Care SPF 35 30ml is a multi-function corrective beauty care. Silky and delicate, this cream reveals a perfect skin only in one gesture. Subtly tinted, it offers a complete care:

- a natural coverage and radiance: the perfect combination of beautifying pigments and light reflective pearls helps smooth the skin, conceals redness and brighten the complexion instantly,
- a treatment: a concentrate of powerful ingredients hydrates and matifies the skin, corrects imperfections and helps reduce the appearance of lines and wrinkles,
- a daily protection: thanks to its SPF 35 combined with antioxidant helps protect day after day the natural defenses of the skin in order to beautify it over time.

This CC Cream allows you to recover a fresh and velvety complexion, naturally radiant.

**Directions:**

Apply daily on the whole face, instead of your daily cream and foundation.
