Description

**Description:**

Darphin Dark Circles Relief and De-Puffing Eye Serum is a weightless serum which smoothes and refreshes under-eyes and lids. This high-potency serum helps to diminish the appearance of puffiness and dark circles thanks to its soothing formula with Eyaliss, Peptides,

and extracts of Passionflower, Rose and Licorice. It penetrates quickly to leave the eye contour feeling silky, smooth and looking well-rested.

### **Use:**

Pump once onto fingertip. Apply lightly tracing a figure eight around the eye.
