Description

Description: Reformulated with Extreme Hydration Complex, Darphin Hydraskin Intensive Skin-Hydrating Serum quenches skin's thirst by instantly and intensely penetrating the skin resulting in a supple, glowing complexion. A hydrating powerhouse, the formula features lush botanicals and anti-oxidants that maximise water replenishment while enhancing skin's natural ability to retain moisture.

Benefits:

- Instantly penetrates deep into the skin
- Leaves the skin with a fresh finish

- Skin is instantly and intensively hydrated
- Natural hydration level is repaired down to the heart of cells
- Radiance is boosted.

Oil Free.

Formulated without parabens.

Dermatologist and ophthalmologist tested. **Use:** Apply on face like cream.
