Description

Description:

This gorgeous, velvety Darphin Hydraskin Rich Cream will help to replenish your skin's moisture levels, keeping it smooth and supple. Using a brand new formula, your skin will feel peachy soft with a renewed feeling of comfort and elasticity. Containing a brand new formula containing mango & kiwi extracts and vital essence of mamaku, Darphin Hydraskin Rich Cream ensures your skin is left healthy, dewy-fresh with a radiant complexion. This velvety soft cream combat signs of dryness along with that uncomfortable feeling of 'tightness'. It works to balance your skin to leave it soft and re-hydrated.
