Description

Description:

Restore your youthful radiance with Darphin Ideal Resource Anti Dark Circle Illuminator, a soft and fresh cream that helps to soothe the skin around the eyes. Helping to reduce the appearance of fine lines and dark circles under the eyes, the cream instantly brightens the skin to leave it smoother and hydrated.

Featuring translucent optics technology, the cream has micro particles that capture light and instantly illuminate the eye area. The cream

Darphin Ideal Resource Anti-Dark Circle Eye Illuminator

combines ingredients of vitamin C, mulberry root and scutellaria extra, along with siegesbeckia extract and oligopeptides to support natural collagen and help stimulate its production. -SA

Directions for use:

Tap into the skin under the eye area each morning, gently spreading out the cream until absorbed.
