Description

Description:

Darphin Ideal Resource Smoothing Retexturizing Radiance Cream is a unique care which smooths and fill wrinkles while bringing an intense brightness to the skin.

Indeed, this deliciously rich cream, is enriched with 3 flowers extracts (Japanese Knotweed, Centella asiatica and White Hibiscus) which acts in synergy to recreate the skin's natural collagen, revive complexion luminosity and reactivate natural cell renewal. Then, lines and wrinkles are smoothed and skin reveals its original radiance with a refined and velvety-smooth texture.

Delicately fragranced, it offers a unique sensory experience.

87% of the total ingredients from natural origin.

Directions:

Apply morning and/or evening on the face after serum.
