Description

Description:

Reduce redness and soothe irritated skin with this Redness Relief Serum from Darphin. Its formula of Calm Complex™, a blend of chamomile, hawthorn and peony extracts, combined with botanical ingredients, make it gentle on sensitive skin. Shield from harmful environmental damage and keep skin hydrated for a smoother complexion. Feel comfortable and nourished, with a stronger skin barrier for daily defence. **Use:** Apply morning and evening on face and neck, with light massages. Follow with the appropriate cream.
