Description

Description:

Darphin Intral Soothing Cream For Intolerant Skin delivers comforting moisturisation, while calming and rejuvenating your skin with softness and smoothness. Intral Soothing Cream For Intolerant Skin from Darphin is exceptionally gentle and leaves skin feeling silky soft. Perfect for those who have intolerant, sensitive and easily irritated skin, it helps soothe and replenish, offering protection and critical moisture. This cream is free from synthetic preservatives, colourants or fragrance and contains Darphin's Calm Complex, which includes camomile, hawthorne and polysaccharide, natural bisabolol (candela essential oil extract), allantoin and shea butter. **Use:** Apply morning and evening on face and neck after the appropriate serum. Gently massage.
