Description

Description:

Darphin Melaperfect Skin Tone Brightening Moisturizer SPF 20 50ml with light and mild texture moisturizes and corrects visible pigment marks while helping prevent their new apparition.

Its protective formula contains UVA/UVB defense combined with antioxidants Trametes extract (anti-dark spot patent-pending ingredient) to reveal a radiant complexion.

Immediately, the skin is perfectly moisturized, protected and comfortable. As time goes by, it appears clarified and the complexion is evened

and luminous.

65% of the total ingredients are from natural origin.

Free from paraben, non comedogenic. Dermatologically tested.

Directions:

Apply morning on face and neck after the appropriate serum. Gently massage.
