Description

Description:

With our first botanical peel, experience the radiance and smoothness of a low-level glycolic peel, with less irritation to skin. Instantly brighten, refine texture and minimize visible signs of aging. With skin-renewing botanicals (winterbloom and chestnut extracts) and youth-revealing exfoliators, skin is beautifully reinvented.

Not for sensitive skin.

Non-comedogenic. Dermatologically tested. Clinically-proven efficacy.

Use:

Once a week at night on clean dry skin, saturate a cotton pad and sweep across face. Avoid eye area. Do not rinse.
