Description

Description:

Darphin's mild water-based Purifying Foam Gel cleanser transforms into a delicate foam upon application. It will gently, but effectively remove all signs of make-up, impurities and excess oil. This cleanser leaves your skin with an immediate feeling of freshness.

With key ingredients such as oubaku, liquorice and copper derivatives your skin will be left feeling soft and soothed. This Darphin Purifying Foam Gel is suitable for combination to oil prone skin types, as it will leave you with a complexion that is free from any impurities and surplus oil.

Directions of Use:

Apply twice daily
Apply to your wet face, neck and décolleté by massaging gently in circular motions
Rinse with lukewarm water
Follow with the appropriate toner
