Description

Description:

This delightfully fresh-scented Darphin Refreshing Cleansing Milk is a light, milky lotion that gently removes all traces of make-up and impurities to leave your skin clean, soft and totally refreshed.

With key ingredients such as fig and banana tree flower extracts, Darphin Refreshing Cleansing Milk is suitable for normal to combination skin types and will leave you with an invigorated and revitalised complexion that is deeply cleansed.

Directions of use:

Apply twice daily.

Apply to your wet face, neck and décolleté by massaging gently in circular motions.

Remove with a cotton pad or rinse with water.

Follow with the appropriate toner.
