Description

**Description:**

Darphin Rose Aromatic Care is a night care specially created to reveal the beauty of dehydrated skins, and guard against free radical damage. Bringing an immediate sensation of freshness to the skin, this care helps rebalance the skin hydration and restore the natural radiance of this one. This care combines several essential oils: rose, bay de saint thomas, with several vegetable oils: muscat rose and primrose oil to moisturize the skin, pleasantly.

The skin is moisturized, lightly perfumed and protected from dryness. It is supple and soft, the complexion is radiant.

100% of the total ingredients are from natural origin.

### **Directions of Use:**

In the evening, apply 5 drops to face and neck with soft, circular upward movements.
