### Description

#### Description:

The skin around the eye contour area loses its youthful appearance as wrinkles deepen and tissues slacken. As time goes on, the natural process of skin ageing leaves the eye contour dehydrated, darker, and less firm.

#### Product Actions:

- Visibly reduces lines and wrinkles.
- Visibly firms and lifts the eye contour.
- Illuminates the eye area.

## Darphin Stimulskin Plus Divine Eye Cream

---

- Visibly reduces dark circles and puffiness.
- Moisturises the eye area.

### Product Benefits:

- Wrinkles and lines around the eye area are visibly smoothed.
- Skin is visibly firmer and lifted.
- Radiance is dramatically improved.
- Skin is supple and soft to the touch.
