Description

Description:

Darphin Tangerine Aromatic Care addresses the first signs of ageing, as a complement to the Arovita C range giving you a youthfully smooth and radiant complexion. Stimulating, citrus-scented elixir nourishes and revitalises your skin and senses.

Darphin Tangerine Aromatic Care is specially formulated to reduce signs of ageing with its essential oils and energize your body and mind with its aromatic essence of well-being. This aromatic care is suited for all skin types and will leave you with a nourished, soft and supple

complexion.

Directions of Use:

Apply Darphin's Tangerine Aromatic Care at night
Apply 5 drops to face and neck
Massage gently in a descending motion from the inner to the outer part of the face
Follow with the appropriate cream
