### Description

**Description:**

An enlightening elixir packed with an innovative dual Vitamin C complex to help erase every last trace of under eye fatigue. Special moisturizers hydrate, firm and smooth skin, as caffeine works overtime to deflate under eye bags and lighten dark circles. Proprietary silanol technology helps stimulate collagen production, while rejuvenating skin's other structural components to improve elasticity and help prevent lines and wrinkles. Sheer light-reflecting pearls beautifully blur imperfections and instantly illuminate the entire eye area.

**Use:**

Mornings and evenings apply a small amount to the entire eye contour area with your ring finger using a gentle tapping motion. Rest secure in the knowledge that today and every day, your eyes have it. For all skin types, including sensitive.
