Description

Description:

An age-preventing, collagen-boosting dynamo formulated with a 30% concentration of L-ascorbic acid, plus a ground breaking Vitamin C complex that are gently released into skin both immediately and over time for maximum efficacy and absorption. Advanced technology strengthens skin's other structural components to improve elasticity and help fend off lines and wrinkles. Intense hydrators deeply moisturize, as antioxidants valiantly safeguard skin from environmental assailants. Meanwhile, focused brighteners even out skin tone creating a healthier, more radiant and beautifully uniform complexion. Superb for all skin types, except for the most sensitive.

Use:

Apply before bedtime to clean, dry skin on the face, neck and décolletage and let the night's restorative powers, the healing beauty of sleep and our effective concentrations of L-Ascorbic Acid/vitamin C work their rejuvenating magic while you dream.
