### Description

**Description:**

A super-smart, clinically-proven, multi-faceted moisturizer formulated with 2% salicylic acid and lactic acid to help clear existing blemishes and prevent future breakouts, as state-of-the-art soothers comfort the irritation that often accompanies acne-prone skin. Vitamin C works overtime to even out skintone, diminish the appearance of dark spots and make acne scars far less visible. Proven hydrators soften and condition to keep skin completely comfortable and healthy looking.

Dermatologist tested. Non-comedogenic, hypoallergenic. Paraben-free.

**Use:**

Prepare to perfect by applying this multi-talented treatment to clean, dry skin twice daily. Follow with sunscreen in the a.m. and a kind word or two at regular intervals. For optimum results follow with spot treatment.
