Description

Description:

A revolutionary, clinically-proven treatment for all skin types that combines the exfoliating expertise of glycolic acid with proven sunscreens for a first of its kind multi-action, anti-aging powerhouse. This superb daytime lotion delivers five meaningful benefits in one simple step. It helps retexturize and brighten with a potent 10% dose of glycolic acid; calms irritation; fends off free radicals with green tea extract, and lightly moisturizes with effective hydrators. SPF 30 helps safeguard skin from UVA, UVB and free radical damage.

Dermatologist tested. Non-comedogenic, hypoallergenic. Paraben-free.

Use:

Apply to clean, dry face and neck, alone or under makeup in the morning. A mild, tingling may occur for a minute or two but we see it as a sign you're one step closer to softer, glowing, younger-looking skin. To beautifully maximize its benefits, layer under our Hydra-Boost Finishing Serum. Putting your best face forward

Caution:
For external use only. Keep out of reach of small children. Avoid contact with eyes and mucous membranes. If irritation develops, discontinue use and consult your physician.
