Description

Description:

An ultra-concentrated clinically proven anti-acne treatment powered by 2% salicylic acid that helps clear breakouts instantly, while helping to prevent future blemishes from forming. Natural antiseptics, astringents and exfoliants help eliminate excess oils, keep pores clean and battle acne-causing bacteria. Skin-calming botanicals help relieve redness and irritation, while helping to correct post-pimple dark spots. Precise and potent, this targeted therapy leaves skin perfected, purified and completely at peace. Dermatologist tested. Non-comedogenic, hypoallergenic. Paraben-free.

Use:

Twice daily, after cleansing and drying skin thoroughly, apply directly onto blemishes. Consider your spotless reputation, knowing that from now on you are in the clear.
