### Description

**Description:**

Dermalia Eye Contour Care is formulated from a complex of highly powerful active ingredients based on horse chestnut and ruscus, which aims to brighten the eye area and help reduce dark circles. Kombu marine extract helps fight the effects of aging, while argan oil with its hydrating benefits reinforces this anti-aging action.

Paraben free

Dermatologically tested

**Use:**

Apply a small amount of cream morning and evening, lightly patting around the eye area starting at the outer corner.
