Description

Description:

Hypoallergenic and formulated with a physiological pH, Dermalia Micellar Solution gently cleanses the skin and easily removes waterproof make-up from the face and eyes. Calendula extract respects the skin and provitamin B5 promotes skin hydration for soft, supple skin. The complexion is fresh and radiant all day long.

All skin types

Paraben free

Dermatologist and ophthalmologist tested

Use:

Using a cotton pad, gently wipe your eyes and face to remove make-up. Repeat this process until the cotton pad is clean. Do not rinse.
