Description

Description:

DermaNutrix drinkable high grade concentrated collagen (liquid gel) helps to regain the youthful vitality of your skin by renewing its elasticity, reducing wrinkles, lifting and promoting firmness. This premium liquid gel product provides 5,000 mg pure collagen peptides. Easy and pleasant to consume. This collagen drink for skin helps to build your beauty from within.

Benefits:

DermaNutrix marine collagen reduces wrinkles and maintains a youthful glow.
DermaNutrix improves moisture content of skin, its elasticity and its smoothness.
DermaNutrix is fast working, see the difference to your skin in a couple of weeks.
DermaNutrix promotes new skin growth to help decrease age spots, uneven skin tone and fine lines.
DermaNutrix is a firming liquid that rejuvenates the appearance of the skin.
DermaNutrix is made in Switzerland with a highly concentrated high grade solution of collagen from fish scales, easy for use with a pleasant taste.

Use:

Take one sachet per day pure or with water.

Each sachet contains 5 grams of marine (fish scale) hydrolyzed collagen.
