Description

**Description:**

This intensifier brings the heat, with a fiery sizzle formula that is designed to deliver smoldering dark color. Add in a potent punch of Royal Berry for flawless, glowing skin. Beautiful color that's too hot to handle? Bring it on!

Green Tea and Chamomile help soothe and prepare skin to receive dark color

Extreme Sizzle Accelerator delivers immediate dark color through a tingle and reddening sensation

Coveted Royal Berry Extracts filled with antioxidants help repair and tone skin.

**Use:**

Apply liberally prior to indoor tanning.
