Description

**Description:**

Pure Organic Rose Otto Oil is an uplifting aromatic essential oil, acclaimed through the ages for its use in natural skin and hair care. By combining this precious oil with a proprietary blend of bioactive, natural and organic ingredients, we have created an exquisite, sensual aromatic scent with exceptional stress relieving and energising properties. This beautifully balanced, intensely hydrating and nourishing complex helps to support the skin's natural elasticity and softness, whilst protecting it against oxidative damage and premature ageing. FREE FROM: parabens - SLS - synthetic colors - harsh chemicals - fragrances or preservatives

**Use:**

Add 2-3 caps full to bath water. The rose oil will disperse in water.
