Description

Description:

Organic Virgin Olive Oil is a highly nutritious deeply moisturising oil rich in Oleic Acid. We combine this unique active with a complex proprietary blend of bioactive, natural and organic ingredients, including Menyanthes Trifoliata (an aquatic plant clinically tested for its anti-ageing properties). The result is a rich intensely moisturising and hydrating cream that penetrates the subcutaneous layers of the epidermis. This deeply moisturising overnight rescue cream supports transdermal hydration and leaves the skin with a healthier and fresher appearance.

Actions:

- Improves firmness and tone
- Hydrates, smoothes and nourishes
- Reduces the appearance of fine lines and wrinkles
- Lowers trans dermal dehydration
- Protects against cell damaging free radicals

- Maintains vitamin C to reinforce collagen synthesis
- Free from: parabens - SLS - artificial colors - fragrances - harsh preservatives

Use:

Apply liberally, as and when required.
