Description

Description:

Our bioactive organic Vitamin E oil is a rich source of tocopherol. This intensely moisturising Vitamin E oil complex is a powerful antioxidant which assists and helps regenerate and nourish the skin.

The combination of Rose Oil, Rosehip Oil and Jojoba Oil provide the ultimate balance of properties and is suitable for use on all skin types, improving the appearance of stretch marks and uneven skin tone. Use on all parts of the face and body to restore and hydrate. Especially effective on dry, aging and uneven skin.

Features:

- For use as a moisturiser on stretch marks, scars & dry skin
- Combination of Rose Oil, Rosehip Oil and Jojoba Oil
- A rich source of tocopherol

Use:

Apply to rough dry skin, uneven skin, surface scars, lines, wrinkles and stretch marks.
