Description

### Description:

This gentle eye treatment has been specifically formulated for the delicate skin around the eyes. Its blend of plant extracts and organic botanicals smooth the skin, hydrate and nourish, and can even minimize fine lines to reduce the appearance of wrinkles.

With marine active ingredients, Dr Organic's proprietary blend of organic plant extracts and oils, and a base of virgin coconut oil, this eye treatment hydrates, reduces lines and evens skin tone.

? Light hydrating eye treatment

? Formulated for delicate skin

? Smoothens skin and minimizes lines

**Use:**

Pat around the eye area with light tapping motions. Can be used under makeup and as a night-time eye treatment. The melting texture immediately smoothens into the skin on application.
