Description

Description:

A moisture surge overnight rescue with Organic Virgin Coconut Oil and Coconut Extract enriched with SEPILIFT, DPHP, Aloe Vera Leaf Juice, Avocado oil, Papaya Fruit Extract, Mango Fruit Extract, Cocoa Seed Extract, Mangosteen Fruit Extract, Fig Fruit Extract, Orange Fruit Extract, Bergamot Fruit Oil, Lemon Peel Oil, Vitamin C and Vitamin E.

This rich nourishing Organic Virgin Coconut Oil Night Cream combines the hydrating properties of Coconut Oil with a cocktail of organic essential oils and natural extracts to soothe and hydrate the skin. Due to the high level of Medium Chain Triglycerides found in Coconut Oil this deeply moisturising cream balances the skins natural moisture level, leaving the skin feeling fresh and healthy.

It lowers trans dermal dehydration and improves firmness and tone. It is ideal for a deep penetrating overnight hydration.

Use:

Apply liberally, as and when required.
