Description

Description:

REMINERALISING – RESTORING – HYDRATING – REVITALISING

A completely hydrating and restoring lotion rich in essential minerals and marine extracts.

Formulated with a blend of Dead Sea Mineral Salt, Aloe Vera Leaf Juice, Bladderwrack Extract, Kelp Extract, Bitter Orange Leaf Oil, Orange Fruit Extract, Mandarin Peel Oil, Pine Needle Oil, Thyme Flower Oil, Wild Mint Oil, Spearmint Oil and Vitamin C.

Dead Sea Salt contains over 20 essential minerals, some of which do not exist in any other sea. This unique combination of Organic Dead Sea Mineral Salt and Marine Algae offers a number of natural skin care benefits which include nourishing and remineralising properties.

By combining these unique aquatic ingredients with a proprietary blend of bioactive and organic extracts it leaves the body feeling revitalised, hydrated and invigorated.

Paraben free - SLS free - Fragrance free - Artificial colours free - Harsh preservatives free.

Dr.Organic Organic Dead Sea Mineral Body Wash

Formulated using biologic agriculture certified & natural extracts.

Use:

Lather and use as required on body and hair.
