Description

Description:

Anacaps Tri-Activ by Ducray is the perfect food supplement to combat hair loss, strengthen hair and nails and provide prevention against aging. Each capsule provides the necessary nutrients to give strength and vitality to the hair bulb and nail matrix. Anacaps capsules contains:

Vitamin B6 or Pyridoxine, ensures adequate oxygenation of hair bulbs and stimulates the formation of melanin and color in the hair

Vitamin B8 or Biotin, essential nutrient for the hair, stimulating its growth and stopping its fall. Provides thickness and firmness to the hair fiber

Vitamin E, antioxidant and anti-aging effect to the hair

Vitamin B3, niacin or PP, prevents hair loss by providing energy

Iron, necessary for the cells of the hair follicle to divide and generate new hair, as well as to combat hair loss

Sulfur Amino acids such as Cystin ??and Methionine are a natural part of hair and make up keratin, which strengthens and contributes to the overall structure of the hair. In his absence, the hair weakens and becomes brittle

The capsules are easy to ingest and with chocolate aroma.

Use:

Take one capsule of Anacaps Tri-Activ in the morning, with a full glass of water.
