Description

Eric Favre Chronoerect is a sexual enhancer that stimulates male libido and restores the vigor of your erections, optimizing performance. This supplement contains saffron, zinc, magnesium, selenium, vitamins B5 in addition to vitamin C. Thus, it maintains a firmer and longer lasting erection.

Properties:

- Improves erection.
- Stimulates penis volume.
- Maintains normal testosterone levels.
- Reduces fatigue for longer sex.
- Contributes to normal spermatogenesis.

Use:

Take 1 capsule 30-45 minutes before intercourse.
