Description

Description:

Eubos Anti-Dandruff care shampoo with the anti-dandruff ingredient Octopirox ® has been developed by EUBOS research to obtain and maintain a dandruff-free, healthy scalp. The combination of mild washing substances with proven care and active ingredients ensures an effective but gentle anti-dandruff effect.

Features:

- With panthenol and avocado oil.
- Free from colorants and alkali
- Without cocamidopropyl betaine
- Physiological pH
- Made in Germany

Use:

To be applied daily at the beginning, later as required. Allow to take effect for a short while and rinse out thoroughly.
