Description

Description:

Eucerin AQUAporin ACTIVE for dry skin is an innovative face moisturiser that enhances the skin's own hydration system and leaves skin supple, smooth and radiant.

The velvety texture of Eucerin AQUAporin ACTIVE for dry skin provides intense, 24-hour hydration as is quickly absorbed by the skin. It relieves skin tightness and leaves skin smooth and supple. Eucerin AQUAporin ACTIVE is clinically and dermatologically proven to be compatible with sensitive skin and is free from fragrance or parabens.

Use:

Apply morning and evening by gently massaging into your face, neck and décolleté (chest). Avoid contact with eyes.
