### Description

**Description:**

Eucerin AQUAporin ACTIVE with SPF 25 and UVA protection is an innovative face moisturiser that enhances skin's own hydration system to leave skin supple, smooth and radiant. At the same time it protects skin from UVB and UVA-induced damage. The velvety texture of Eucerin AQUAporin ACTIVE with SPF 25 and UVA protection for all skin types provides intense, 24-hour hydration and is easily absorbed by the skin. It relieves tightness and leaves skin smooth and supple. SPF 25 and UVA protection also effectively prevent UV-induced skin damage. Eucerin AQUAporin ACTIVE is clinically and dermatologically proven to be compatible with sensitive skin and is fragrance and paraben free.

**Use:**

Apply morning and evening by gently massaging into your face, neck and décolleté (chest). Avoid contact with eyes.
