Description

**Description:**

Eucerin DermoCapillaire Anti-Dandruff Cream Shampoo is specifically designed for dry dandruff. It gently cleanses your scalp and hair of white flakes and scales and effectively reduces and controls dandruff. Its mild formula soothes your scalp and reduces itching from your first wash, while its special conditioning agents give your hair a healthy shine and a soft, supple feeling.

**Use:**

Massage into damp hair.

Leave to soak before rinsing thoroughly.

Suitable for daily use.

For best results, use in conjunction with Eucerin DermoCapillaire ANTI-DANDRUFF INTENSIVE SCALP TREATMENT.
