Description

Description:

Hyaluron Filler Volume Night for all skin types targets specific layers of the skin to address sagging, diminishing facial volume and a loss of contours while you sleep.

The formula with, naturally-derived Magnolol shown to increase the size of volumising cells*, Oligo Peptides to support skin structure* and Hyaluronic acid to work at the skin's surface, increasing moisture-retention to smooth lines caused by dryness for a hydrated, smoother skin surface. Added dexpanthenol supports the skin's own overnight skin regeneration. Used regularly, look appears rejuvenated with restored volume and definition.

Features:

- non-comedogenic
- lightly fragranced

Key Ingredients:

-HYALURONIC ACID
-GLYCINE-SAPONIN
-DEXPANTHENOL

Use:

Apply in the evening onto thoroughly cleansed skin.
Apply to face, neck and décolleté (chest).
Use gentle strokes to massage product in.
